ABOUT US

Fin-Bangla Apparels Ltd, was established in 2016, which is another wing of Pinaki Group and is established with a vision to further our development of our business in the Global apparels market.

Pinaki Group began its arduous journey in 1984 with a mission to be a leading exporter of high-quality garments in the country. With the implementation of effective manufacturing activities, we ensure timely delivery and maintain a healthy, conducive work environment.

We are now a respected name among manufacturers in Bangladesh due to sustainable practices, skilled workmanship, and dedication to customer satisfaction. This has positioned us as a market leader.

We are the first choice of our customers with regard to their manufacturing needs. Our primary categories cover a wide range of Woven Men's, Women's and Children's wear.
